2023 Event Packet

Capacities:

In its entirety, the Ironbridge Grill can comfortably hold 150 guests. Our newly renovated year-round patio, which may be reserved on its own, comfortably seats up to 60 guests. During our Spring and Summer Season we can host up to 275 guests inside and out.

We do accommodate tented events on the deck and family lawn area. Depending upon your group's needs (cathedral seating for speaking events, table seating for dinners, dancing space, etc.) will determine the number of tents needed, as well as the size. Pricing for those needs will be quoted separately from food and beverage quotes. Staff at Ironbridge will make all of the arrangements for tent rentals, including delivery, set-up, and take-down. There is a 15% coordination fee applied to all tent rentals.

Deposits:

Once both parties have agreed to a date and time, we do require a deposit to secure your date and space, which will be applied to your final balance.

Facility Fees:

The facility fee to rent the Ironbridge Grill in its entirety varies depending upon seasonal demand. There is a facility rental fee of \$1,000 to rent the entire restaurant, and a fee of \$500 to rent out the covered patio, in addition to a food and beverage minimum spend of \$5,000 for a full buyout, and a food and beverage minimum of \$2,500 for the patio.

At Ironbridge, we do not rent the facility for ANY private events that do not purchase some type of dining or beverage package, nor do we allow for external catering to be brought into the restaurant. We do allow cakes or pastries to be brought in for weddings and other celebrations.

Facility rentals and the dining/beverage pricing put forth in this document do not include any additional items such as specialty linens, flowers, decor, audio-visual support, etc. Further, any additional rental items such as tents or specialty tables, chairs, etc. would be rented through our vendor partners and expenses passed on to the host. All of these expenses are explained in detail prior to the event.

Prices in the pages to follow do not reflect gratuities and sales tax.

2023 Event Packet

Your Event Options:

Gatherings at Ironbridge have multiple options, ranging from light appetizers to plated/served meals, to buffets. What will work best for your group will depend on the number of guests attending, the formality of the event, and your budget.

As a part of your event with Ironbridge we will provide dinnerware, glasses, silverware and food platters.

Upon request, we can provide each group with custom menus for the tables, providing guest detail of buffet selection or entree choices for the event. These items are created and printed as a part of your administrative fee.

At Ironbridge, we know that every detail of your event is important and we will work hard to ensure that your event is executed flawlessly. There are many additional items that can be included for your event such as decor, specialty linens for tables, music, etc. We are happy to work with you on coordinating these items. We will communicate all fees well in advance of your contract signing.

Options for Brunches, Lunches, and Dinners:

For parties of 25 or more, we recommend buffets only, as they can be executed on a more efficient level, providing you and your guests with the quality you deserve. For smaller parties of up to 25, we recommend a family-style meal, or plated and served meals. All food options listed in pages below are included in any of the dinner services we provide.

A variety of bar packages are also available in addition to meal packages. We do our best to provide estimates for alcohol consumption, but it will most likely be the biggest variable of your event. Variables are dependent on the occasion, formality of the event, lifestyle, etc. Typically, it is best to determine your budget for alcohol first, and then we can create a bar package for you. There are many options ranging from an open bar, a cash bar, drink tickets, or an open bar with a cap.

Cocktail and Beverage Packages

If you wish to include cocktails with your dining package, we will work with you to create a beverage package that works within your budget.

The following includes a few options available:

House Red and White Wines:

\$25 per bottle

Beers - Draft or by the Can:

\$8 per glass or can

Drink Tickets - Wine, Beer, or Well Drinks:

\$10 per ticket (on average)

Provide each guest with tickets for drinks. This is an excellent option for controlling expenses and consumption.

Cash Bar

Guests pay market prices for current drink menu items

Host or Open Bar

House or premium liquors are available. The host pays for the total drinks consumed at the end of the evening. Some hosts may choose to cap the open bar pricing at a certain dollar amount.

* \$200 bartender fee per 50 guests on *all* bar packages, including host and cash bars. Gratuity and tax are added to all bar packages, in addition to the bartender fee.
