

# Groundskeeper / Equipment Operator

Seasonal Employment – Full-Time & Part-Time

**Location:** Glenwood Springs, Colorado

**Season:** April 1 – October 31

## Position Overview

We are hiring seasonal Groundskeepers / Equipment Operators to join our golf course maintenance team. Positions are available for both full-time (40 hours/week) and part-time early morning golf course setup. This role is ideal for individuals who enjoy working outdoors and take pride in maintaining high-quality playing conditions.

## Positions Available

**Full-Time Seasonal:** 40 hours per week. Every other weekend required. When a weekend is worked, one weekday (typically Monday) is scheduled off the following week to maintain a 40-hour workweek. No overtime scheduled or expected.

**Part-Time Early Morning Setup:** Approximately 20–30 hours per week depending on setup needs. Every other weekend required. When weekend shifts are worked, one or two weekdays may be scheduled off the following week depending on total hours worked.

## Compensation & Benefits

- Hourly wage up to **\$23.00 per hour**, depending on experience
- Work uniforms provided
- Golf privileges and shop discounts
- Food & beverage discounts
- Flexible scheduling with advance notice

## Experience & Education

- Entry-level applicants welcome
- Previous golf course or landscape experience helpful but not required
- Training provided
- High school diploma or equivalent required

## Primary Responsibilities

- Operate turf maintenance equipment including greens, tees, fairway, and rough mowers
- Perform daily golf course maintenance and setup
- Hand rake bunkers and maintain course presentation
- Clean up tree limbs, debris, and common areas
- Assist with irrigation, divot filling, and minor repairs
- Follow safety and equipment operation guidelines

## Ideal Candidate

Reliable, punctual, and team-oriented individuals who enjoy working outdoors, can work early mornings, and take pride in quality work.
