

Do you allow service animals?

Ironbridge adheres to all ADA requirements regarding service animals:

- **Only dogs are recognized as service animals under titles II and III of the ADA.**
- **Emotional support animals do not qualify as service animals under the ADA, and therefore are not allowed at Ironbridge Golf Club**
- **Service animals must remain harnessed, leashed, or tethered, unless these devices interfere with the service animal's work or the individual's disability prevents using these devices.**
- **If the animal is out of control and the handler doesn't take effective action to control it or if the animal is not housebroken, the individual will be asked to remove the service animal from the premises.**
